

## LEAVE A LEGACY

Leave a lasting legacy by including Jen's Friends, a 501(c)(3) nonprofit organization, in your estate plan. Including a planned gift within your estate plan can establish a charitable legacy for Jen's Friends.

Include a bequest, a simple way of legacy giving, for Jen's Friends in your estate plan.

Donate different and multiple types of securities to Jen's Friends in your estate plan. No matter which type of appreciated security you donate, your gift goes further than if you sold it and donated the proceeds as cash.

Establish a charitable remainder trust, which are irrevocable trusts that can increase your income, save you taxes, and benefit charities such as Jen's Friends.

Name Jen's Friends as the direct beneficiary of a life insurance policy and avoid estate taxes.

Designate Jen's Friends as a beneficiary for all or part of your retirement accounts (e.g., 401(k), IRAs, annuities, pension plans, etc.).
